Somewhere Over the Rainbow

By: Judy Garland

Somewhere over the rainbow

Way up high

There's a land that I heard of

Once in a lullaby

Somewhere over the rainbow

Skies are blue

And the dreams that you dare to dream

Really do come true

Someday I'll wish upon a star

And wake up where the clouds are far behind me

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me

Somewhere over the rainbow

Bluebirds fly

Birds fly over the rainbow

Why then, oh why can't I?

If happy little bluebirds fly

Beyond the rainbow

Why, oh why can't I?

Cheek to Cheek

By: Fred Astaire

Heaven, I'm in heaven,
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing, cheek to cheek

Heaven, I'm in heaven,
And the cares that hang around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing, cheek to cheek

Oh! I love to climb a mountain,
And to reach the highest peak,
But it doesn't thrill me half as much
As dancing cheek to cheek

Oh! I love to go out fishing
In a river or a creek,
But I don't enjoy it half as much
As dancing cheek to cheek

Dance with me
I want my arm about you
The charm about you
Will carry me through to heaven

I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing cheek to cheek

Singing in the Rain

By: Gene Kelly

I'm singing in the rain,
Just singin' in the rain

What a glorious feeling,
I'm happy again

I'm laughing at clouds so dark up above
The sun's in my heart and I'm ready for love

Let the stormy clouds chase everyone from the place
Come on with the rain, I've a smile on my face

I walk down the lane with a happy refrain
Just singin', singin' in the rain

When You Wish Upon a Star

By: Cliff Edwards

When you wish upon a star,
makes no difference who you are
Anything your heart desires will come to you

If your heart is in your dream,
no request is too extreme
When you wish upon a star as dreamers do

Fate is kind
She brings to those to love
The sweet fulfillment of their secret longing

Like a bolt out of the blue,
fate steps in and sees you through
When you wish upon a star,
your dreams come true.

My Favorite Things

By: Julie Andrews

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad

Fly Me to the Moon

By: Bart Howard, Popularized by Frank Sinatra

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a, Jupiter and Mars
In other words, hold my hand
In other words, baby, kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a, Jupiter and Mars
In other words, please be true
In other words, in other words
I love you.

Moonlight Bay

By: Doris Day

*Any part in (...) is your time to echo!

We were sailing along **(we were sailing along)**
on Moonlight Bay **(on moonlight bay)**
We could hear the voices ringing
They seemed to say, **(They seemed to say)**
"You have stolen her heart **(You have stolen her heart)**
Now don't go 'way" **(Now don't go way)**
As we sang love's old sweet song on Moonlight Bay
On Moonlight Bayyyyy

It's Only a Paper Moon

Music by Harold Arlen, lyrics by Yip Harburg and Billy Rose.

Say, its only a paper moon
Sailing over a cardboard sea
But it wouldn't be make-believe
If you believed in me

Yes, it's only a canvas sky
Hanging over a muslin tree
But it wouldn't be make-believe
If you believed in me

Without your love
It's a honky-tonk parade
Without your love
It's a melody played in a penny arcade

It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make-believe
If you believed in me

Moon River

By: Audrey Hepburn

Moon river, wider than a mile

I'm crossing you in style some day

Oh, dream maker, you heart breaker

Wherever you're goin', I'm goin' your way

Two drifters, off to see the world

There's such a lot of world to see

We're after the same rainbow's end, waitin' 'round the bend

My huckleberry friend, moon river, and me

By the Light of the Silvery Moon

Music by Gus Edwards, Lyrics by Edward Madden

By the light of the silvery moon,

I want to spoon, to my honey I'll croon love's tune,

Honeymoon keep a shining in June,

Your silvery beams will bring love dreams, we'll be cuddling soon,

By the light of the moon.

By the light of the silvery moon,

I want to spoon, to my honey I'll croon love's tune,

Honeymoon keep a shining in June,

Your silvery beams will bring love dreams, we'll be cuddling soon,

By the light of the moon.

Sunny Side of the Street

Composed by Jimmy McHugh with lyrics by Dorothy Fields.

Grab your coat and get your hat
Leave your worry on the doorstep
Just direct your feet
To the sunny side of the street

Can't you hear a pitter-pat?
And that happy tune is your step
Life can be so sweet
On the sunny side of the street

I used to walk in the shade
With those blues on parade
But I'm not afraid
This Rover crossed over

If I never have a cent
I'll be rich as Rockefeller
Gold dust at my feet
On the sunny side of the street

You Are My Sunshine

Popularized by Jimmie Davis and Charles Mitchell

You are my sunshine, my only sunshine

You make me happy when skies are gray

You'll never know dear, how much I love you

Please don't take my sunshine away

I'll always love you and make you happy

If you will only say the same

You'd never leave me to love another

You're the answer to my dreams

You are my sunshine, my only sunshine

You make me happy when skies are gray

You'll never know dear, how much I love you

Please don't take my sunshine away

Raindrops Keep Falling on My Head

written by Hal David and Burt Bacharach for the 1969 film Butch Cassidy and the Sundance Kid.

Raindrops are falling on my head
And just like the guy whose feet are too big for his bed
Nothing seems to fit
Those raindrops are falling on my head, they keep falling

So I just did me some talking to the sun
And I said I didn't like the way he got things done
Sleeping on the job
Those raindrops are falling on my head, they keep falling

But there's one thing I know
The blues they send to meet me
Won't defeat me, it won't be long
Till happiness steps up to greet me

Raindrops keep falling on my head
But that doesn't mean my eyes will soon be turning red
Crying's not for me
'Cause I'm never gonna stop the rain by complaining
Because I'm free
Nothing's worrying me

I Can See Clearly Now

By: Johnny Nash

I can see clearly now the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright)
Bright (bright) sunny day

Oh, yes I can make it now the pain is gone
All of the bad feelings have disappeared
Here is that rainbow I've been praying for
It's gonna be a bright (bright)
Bright (bright) sunny day

Look all around, there's nothing but blue skies
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone
I can see all obstacles in my way
Here is that rainbow I've been praying for
It's gonna be a bright (bright)
Bright (bright) sunny day

Let It Snow

written by lyricist Sammy Cahn and composer Jule Styne

Oh the weather outside is frightful

But the fire is so delightful

And since we've no place to go

Let it snow, let it snow, let it snow

It doesn't show signs of stopping

And I've brought some corn for popping

The lights are turned way down low

Let it snow, let it snow, let it snow

When we finally kiss goodnight

How I hate going out in the storm

But if you really hold me tight

All the way home I'll be warm

The fire is slowly dying

And my dear we're still goodbye-ing

As long as you love me so

Let it snow, let it snow, let it snow

Let it snow, let it snow, let it snow

What A Wonderful World

By: Louis Armstrong

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself, what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, saying, "How do you do?"
They're really saying....."I love you"

I hear babies cry, I watch them grow
They'll learn much more, than I'll ever know
And I think to myself, what a wonderful world

Yes, I think to myself
What a wonderful world

You Send Me

Sam Cooke

Darling, you send me, I know you send me
Darling, you send me, Honest you do, honest you do
Honest you do, whoa

You thrill me, I know you, you, you thrill me
Darling you, you, you, you thrill me
Honest you do

At first I thought it was infatuation, but wooh, it's lasted so long
Now I find myself wanting you, to marry you and take you home, woah

You, you, you, you send me, I know you send me
I know you send me, honest you do

At first I thought it was infatuation, but wooh, it's lasted so long
Now I find myself wanting you, to marry you and take you home

I know, I know, I know, you send me
I know you send me
Whoa, you you you you send me
Honest you do

Georgia On My Mind

By: Ray Charles

Georgia, Georgia, the whole day through
Just an old sweet song, keeps Georgia on my mind

I said Georgia, Georgia, a song of you
Comes as sweet and clear as moonlight through the pines

Other arms reach out to me, other eyes smile tenderly
Still in peaceful dreams I see, the road leads back to you

I said Georgia, oh Georgia, no peace I find
Just an old sweet song, keeps Georgia on my mind

Other arms reach out to me, other eyes smile tenderly
Still in peaceful dreams I see the road leads back to you

Woah, Georgia, Georgia
No peace, no peace I find
Just an old, sweet song
Keeps Georgia on my mind

I said just an old sweet song
Keeps Georgia on my mind

Hit the Road Jack

By: Ray Charles

Hit the road Jack and don't cha come back
No more no more no more no more
Hit the road Jack and don't cha come back no more
What'd you say?

Hit the road Jack and don't cha come back
No more no more no more no more
Hit the road Jack and don't cha come back no more

Old woman old woman, oh you treat me so mean
You're the meanest old woman that I've ever seen
I guess if you say so, I'll have to pack my things and go (that's right)

Hit the road Jack and don't cha come back
No more no more no more no more
Hit the road Jack and don't cha come back no more
What'd you say?

Hit the road Jack and don't cha come back
No more no more no more no more
Hit the road Jack and don't cha come back
No more

Sing-a-long Series

Now baby, listen baby, don't you treat me this way
Cause I'll be back on my feet some day
Don't care if you do, cause it's understood
You ain't got no money, you just a no good
Well I guess if you say so
I'll have to pack my things and go (that's right)

Hit the road Jack and don't cha come back
No more no more no more no more
Hit the road Jack and don't cha come back
No more

Mona Lisa

By: Nat King Cole

Mona Lisa, Mona Lisa, men have named you
You're so like the lady with the mystic smile
Is it only 'cause you're lonely they have blamed you?
For that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep
They just lie there and they die there

Are you warm, are you real, Mona Lisa?
Or just a cold and lonely lovely work of art?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep
They just lie there and they die there

Are you warm, are you real, Mona Lisa?
Or just a cold and lonely lovely work of art?

The Candy Man

Written by Leslie Bricusse and Anthony Newley for Willy Wonka & the Chocolate Factory.

Performed by Sammy Davis Jr

Who can take a sunrise? Sprinkle it with dew

Cover it with chocolate and a miracle or two

The Candy Man! The Candy Man can

The Candy Man can 'cause he mixes it with love

And makes the world taste good

Who can take the rainbow? Wrap it in a sigh

Soak it in the sun and make a groovy lemon pie

The Candy Man! The Candy Man can

The Candy Man can 'cause he mixes it with love

And makes the world taste good

The Candy Man makes everything he bakes,

Satisfying and delicious

Now, you talk about your childhood wishes,

You can even eat the dishes

Oh, who can take tomorrow? Dip it in a dream

Separate the sorrow and collect up all the cream

Dream a Little Dream of Me

music by Fabian Andre and Wilbur Schwandt and lyrics by Gus Kahn.

Performed by Ella Fitzgerald

Stars shining bright above you, night breezes seem to whisper "I love you"
Birds singing in the sycamore tree, dream a little dream of me
Say "Night-ie night" and kiss me, just hold me tight and tell me you'll miss me
While I'm alone and blue as can be, dream a little dream of me

Stars fading, but I linger on, dear, still craving your kiss
I'm longing to linger till dawn, dear, Just saying this
Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be, dream a little dream of me

Stars fading, but I linger on, dear, still craving your kiss
I'm longing to linger till dawn, dear, Just saying this
Sweet dreams till sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams whatever they be
Dream a little dream of me

Summertime

Written by George Gershwin, performed by Ella Fitzgerald

Summertime, and the livin' is easy

Fish are jumpin' and the cotton is high

Oh, your daddy's rich and your ma is good-lookin'

So hush, little baby, don't you cry

One of these mornings you're gonna rise up singing

And you'll spread your wings and you'll take to the sky

But till that morning, there ain't nothin' can harm you

With daddy and mammy standin' by

God Bless the Child

by Billie Holiday and Arthur Herzog Jr

Them that's got shall have, Them that's not shall lose

So the Bible said and it still is news

Mama may have, Papa may have

But God bless the child that's got his own, that's got his own

Yes, the strong gets more, While the weak ones fade

Empty pockets don't ever make the grade

Mama may have, Papa may have

But God bless the child that's got his own, that's got his own

Money, you've got lots of friends

They're crowding around your door

But when you're gone and spending ends

They don't come no more

Rich relations give crust of bread and such

You can help yourself, but don't take too much

Mama may have, Papa may have

But God bless the child that's got his own, that's got his own
