Meals on Wheels

Delivered home meal service

PVI Meals on Wheels home-delivered meal service has been operating continuously during COVID-19, with staff and drivers following

precautions to safely deliver meals to our clients. Meals are delivered to residents of San Mateo County (excluding Coastside and Pacifica) who meet the following criteria:

Over the age of 60
Predominantly homebound
Unable to shop or cook due to medical condition
Lack of consistent caregiver assistance with daily tasks

In addition to serving meals to homebound older adults, PVI Meals on Wheels also has a program for adults 18-59 with disabilities. Clients in this program receive 5 nutritious, home-delivered meals weekly.

To be eligible, the recipient must meet the following criteria:

- Be an adult (18-59 years old) with a disability and primarily homebound.
- Be incapacitated due to disability/illness and at risk of institutionalization.
- Lack needed caregiver assistance from family or other resources that can aid in the provision of meals.
- Be able to live at home if meals are provided, but unable to prepare or obtain nutritious meals.
- Be a resident of San Mateo County (excluding Coastside).

All of our freshly prepared meals are also available to anyone five days a week for a reduced rate. If you, or anyone you know would benefit from this program, contact the Meals on Wheels office Mon - Fri at [650-323-2022](tel:650-323-2022) for details about the enrollment process.

Eugene

"I rely heavily on your Meals on Wheels. I don't know what I'd do without the support."

Eugene is an 85-year-old veteran and loves his independence. He became a PVI's Meals on Wheels recipient at the start of the Pandemic when his medical condition made it impossible for him to shop and cook for himself. Eugene's painful neuropathy and chronic arthritis severely impact his mobility. Managing both chronic conditions have significantly affected his lifestyle, yet Eugene describes PVI's Meals on Wheels "as a life-saver!" Not only does he enjoy the nutritious meals, he looks forward to the warm and friendly delivery drivers.

Daily Senior Impact:

1 in 6 seniors is facing hunger

Celebrating 75 years

PVI

Enabling Seniors to Age in Place

Your impact spans PVI's 75-year history of firsts in senior services

Peninsula Volunteers, Inc. (PVI) celebrates our **75th year of enabling seniors to age in place.** We accomplished this milestone because of your significant generosity spanning our humble yet bold beginnings. **Thank you for staying by our side.**

PVI was a **leader in gerontology** at a time it was unheard of. **In 1947,** our visionary women founders built a remarkable legacy, enriching the lives of countless thousands of local seniors and their families.

The challenges are now much larger in scope

Many local seniors are struggling to stay afloat in today's uncertain environment. Current needs are far outstripping the growth of the local aging population and the gap is widening. **Widespread loneliness, social isolation, hunger, and health inequities** cut deeper into community lives. **Mounting inflationary costs** are further straining financial resources beyond sustainability and shutting our seniors out.

Join us as we transform aging

PVI will continue to **transform aging** in our local communities, changing the way seniors are cared for and treated as valuable members of society. New levels of concierge caregiver and family support services, expansion of innovative community partnerships, and extension of our local geographic reach will meet the challenges ahead for you and your family members.

You may ask, how can I make a difference right now?

You have the power to change the life of a senior today. Your gift of support is indispensable to the **thousands of local families relying on us** during the holiday season and beyond for their health and well-being. Please make your gift of an amount that is right for you* securely online and spread the word to a friend who shares your passion to help extend senior health and independence for seniors like Eugene and Helen.
