Eugene

"I rely heavily on your Meals on Wheels. I don't know what I'd do without the support."

Eugene is an 85-year-old veteran and loves his independence. He became a PVI's Meals on Wheels recipient at the start of the Pandemic when his medical condition made it impossible for him to shop and cook for himself. Eugene's painful neuropathy and chronic arthritis severely impact his mobility. Managing both chronic conditions have significantly affected his lifestyle, yet Eugene describes PVI's Meals on Wheels "as a life-saver!" Not only does he enjoy the nutritious meals, he looks forward to the warm and friendly delivery drivers.

Celebrating 75 years

PVI

Enabling Seniors to Age in Place

Your impact spans PVI's 75-year history of firsts in senior services

Peninsula Volunteers, Inc. (PVI) celebrates our **75th year of enabling seniors to age in place.** We accomplished this milestone because of your significant generosity spanning our humble yet bold beginnings. **Thank you for staying by our side.**

PVI was a **leader in gerontology** at a time it was unheard of. In **1947**, our visionary women founders built a remarkable legacy, enriching the lives of countless thousands of local seniors and their families.

The challenges are now much larger in scope

Many local seniors are struggling to stay afloat in today's uncertain environment. Current needs are far outstripping the growth of the local aging population and the gap is widening. **Widespread loneliness, social isolation, hunger, and health inequities** cut deeper into community lives. **Mounting inflationary costs** are further straining financial resources beyond sustainability and shutting our seniors out.

Join us as we transform aging

PVI will continue to **transform aging** in our local communities, changing the way seniors are cared for and treated as valuable members of society. New levels of concierge caregiver and family support services, expansion of innovative community partnerships, and extension of our local geographic reach will meet the challenges ahead for you and your family members.

You may ask, how can I make a difference right now?

You have the power to change the life of a senior today. Your gift of support is indispensable to the **thousands of local families relying on us** during the holiday season and beyond for their health and well-being. Please make your gift of an amount that is right for you* securely online and spread the word to a friend who shares your passion to help extend senior health and independence for seniors like Eugene and Helen. Visit www.1pvi.org and www.1pvi.org/donate.

***\$500 funds one month of PVI Meals on Wheels for two at-risk seniors or one annual Senior Center fitness membership.**
