SUPER DIAMOND – The Neil Diamond Tribute

An uncanny tribute to beloved master singer/songwriter/performer, American pop icon Neil Diamond – Super Diamond has appeared on The Late Show with David Letterman, CNN, VH1, Fox News, and Comedy Central, and has been featured in publications such as *Rolling Stone Magazine*, *The New York Times*, and the *San Francisco Chronicle*.

For three decades, San Francisco's Super Diamond has become one of the most popular live shows at major nightclubs, theaters, ballrooms, festivals, and public events throughout the United States.

Super Diamond delivers a glittering, powerful show that performs Neil Diamond's hits with a rock edge and unrestrained enthusiasm. It is pure entertainment – classic music combined with fun, energy, and passion!

Neil Diamond (the man himself) has sung his songs on stage with Super Diamond at their shows.

Don't let anyone tell you Neil Diamond doesn't "ROCK!"

About Peninsula Volunteers, Inc.

For almost 80 years, Peninsula Volunteers, Inc. (PVI) has been guided by a simple but deeply meaningful mission: *to enable seniors to age in place.*

Through programs such as Meals on Wheels and adult day services for individuals living with Alzheimer's and other forms of dementia, PVI provides essential nourishment, compassionate care, and meaningful connection. These services allow seniors to remain in the homes and communities they love while giving families the support they need.

"No senior should be left to navigate aging alone—not when a community can stand beside them."
